ASSAM SECRETARIAT (CIVIL), DISPUR

No.S(N)20/2014/279.

Dated Dispur, the 19th July, 2016

OFFICE MEMORANDUM

The matter of absorption of Bungalow peons in the cadre of Grade IV under provisions laid down in the Office Memorandum No. FEB. 108/83/5, dated 16.12.1983, has been further re-examined by the Govt. with specific reference to the provision relating to completion of five years of continuous service required to be rendered by the Bungalow Peons for being considered for such absorption.

After due examination of the matter it has been observed that many Bungalow Peons are not able to complete five years of continuous service due to transfer or retirement of the officers to whom they were attached and thereby they fail to become eligible for absorption under provisions of the O.M. mentioned above.

In the above context and with a view to facilitate eligibility of Bungalow Peons for absorption in the cadre of Grade IV by removing the difficulty faced by them because of transfer or retirement of the officers with whom they were attached earlier or are attached at present, the total service rendered by them as Bungalow Peons in different stints shall be considered as continuous service for the purpose of eligibility.
